TIME TO SIGN UP FOR 2021/2022 COMMITTEES

As we all know, many hands make light work and this club depends on of you to keep it running. Incoming Club President, Debbie, needs the help of all members for a smooth year to help our community and the world at large through our club activities. You can make her job a lot easier by signing up for your choice of committees. It really cuts down on extra work on her part if the committees are filled before July 1, so please go to this link and sign up soon:
