HELP FOR CYCLE FOR LIFE NEEDED!

This year's Cystic Fibrosis Cycle for Life Bicycle fundraising event will be held on Saturday, October 2, 2021, as an in-person event with some added precautions held at the Fatima Shrine in Holliston. The Lions have always been great supporters of this CF event and have volunteered their time to help the event go very smoothly in support of the Hedrick and Ahronian families who are affected by this medical condition.

Volunteers are needed to help with site set-up, registration, pinning rider numbers, handing out water bottles, parking of cars, helping in the food tent, water station help, course attendants cheering & directing riders down the correct streets (this is easy & away from crowds, and we have many corners that need to be manned), SAG wagon volunteers and many other assignments. The event starts set-up preparations at about 6:30am and wraps up by about 3:00pm. We can use help for the entire day or a few hours during the event. This is an excellent opportunity for high schoolers looking for volunteer hours and our own LEOS will be working this event, as well.

In the interest of keeping our CF families, participants and volunteers safe: A) Everything will be outside including registration. B) All volunteers will be required to wear a mask.

If you would like to volunteer or have questions about how you can help, please email **Patty Osten** at bostonostens@gmail.com. Patty does all the volunteer assignments and is beginning that process right now. You must contact Patty to get a specific assignment. Thank you for your help.

Please continue reporting your summer volunteer activity hours using the following address:
